Prevent

Overview and Questions- Ritalinda and LaTeisha

- How does your agency gain access to HIV-negative patients who may be eligible for PrEP?
- How effective is the referral network for persons with PrEP indications?
- How effective are attempts to assure that patients on PrEP maintain adherence?
- What additional strategies would you like to implement to gain access to HIV neg clients who might be eligible for PrEP?
- What is your opinion of Syringe Services Programs?
- How might an SSP work in Alabama?
- What technical assistance, if any would allow your agency to increase your prevention efforts?
- How might that collaboration be conducted?

Data Collection Update- Brittney Brooks

ROCKSTAR PARTNERS- LaTeisha

AIDS Alabama- Advocacy (matt and Jean) for making us aware of what we needed to do as a team to be more inclusive of the Latinx community.

TKO Society-Quentin Bell for making sure we capture adequate data from the LGBTQ community

MAO- Dr. Laurie Dill- for helping us do some much needed networking throughout the provider community. Dr. Dill introduced me to at least 10 providers by email and we were able to conduct provider interviews with most of them

Selma AIR- Selma AIR has been responsible for clients completing 50 surveys and they are working on 20 more as we speak.

Next meeting: July 29, 2020, 10:00 a.m.
