

MEET THE TEAM: Public Health Educators

WHO WE SERVE: The state of Alabama

WHAT WE DO: We work as Public Health Educators for Alabama Department of Public Health Immunization Division. Our work includes:

- Attending and hosting outreach events
- Educating the public on various immunization topics
- Designing strategies for public health education, programs, and interventions

WHO WE ARE:

Our team is designed to promote and provide health education to increase the awareness of immunizations. We strive to keep the community healthy and protect against diseases amongst society.

We are assigned to different districts within the state:

Jaida Lane
