

Raising a child with hearing loss?

Parent views on hearing aid apps & coping

To participate:

- You must live in the US and be a parent or primary caregiver of a child who uses hearing aids
- Use the QR code or link below to complete a 15-minute survey
- Participants who complete the survey may enter to win a \$50 Amazon gift card

<https://redcap.link/parentcaregiverlink>

Survey results will be used in a research study examining parent experiences and opportunities to improve support for parents.
