

Allergies and Asthma 30 Sec PSA

Sniffling, sneezing, and watery eyes! Allergy season is in full swing, and you're not alone in your suffering.

This is State Health Officer Doctor Scott Harris. Did you know that there are more than 50 million people in the United States that are affected by allergies each year?

Allergies and Asthma tend to go hand in hand, so it's important to reduce your exposure to the things that trigger your allergy signs and symptoms. For more information, visit us at alabamapublichealth.gov.
