

Flu Vaccines 30 Sec PSA

The winter months are fast approaching – and with cooler weather and holiday celebrations comes the cold and flu season.

Why should you get vaccinated against the flu this year? Even healthy people can get sick from the flu and spread it to others, so it's important that you're protected!

For more information about flu shots, visit our website at Alabama-Public-Health-dot-gov-slash-influenza. That's Alabama-Public-Health-dot-gov-slash-influenza. This is brought to you by the Alabama Department of Public Health and this station.
