

Infant Mortality 30 Sec PSA

Infant mortality or infant death. As a new mom, just the words alone make my heart skip a beat.

The loss of an infant is a sad reality for more than 500 families each year in Alabama. September is Infant Mortality Awareness Month.

Join me, and let's bring awareness to the issue of infant mortality. For more information about Alabama's infant mortality rate, visit Alabama-Public-Health-dot-gov-slash-perinatal.

This is brought to you by the Alabama Department of Public Health and this station.
