

Stop the Spread 60 Sec PSA

Hi, I'm Senate Minority Leader Bobby Singleton...and I'm House Minority Leader Anthony Daniels. COVID-19 is a game-changer. We need to step up our game and stop the spread. There is no cure or vaccine for this deadly virus. We all must do our part to protect each other.

That means:

- Avoid close contact with large groups.
- Stay six feet away from others.
- Wash your hands.
- Do not touch your face.
- Clean and disinfect surfaces regularly.
- Stay home if you don't have to go out.

If you are experiencing a fever, cough, fatigue or trouble breathing, and think you have COVID-19, contact your health care provider. COVID-19 is a serious crisis. We need to take this seriously. Look, it won't be easy, but we can do it. Step up your game and stop the spread.

This message is brought to you by the Alabama Department of Public Health and this station.
