CEP-13
APPLICATION
FOR PROPRIETARY PRODUCT PERMIT

For Department Use Only

ALABAMA DEPARTMENT
OF PUBLIC HEALTH

_____Date Permit Issued

☐ New ☐ Renewal ☐ Modification

_____Date Received

To Be Completed by the Responsible Person

1. Manufacturer Name_____Phone_____

Street Address_____

City_____State_____Zip_____

Email_____Website_____

2. List exact product name and model numbers matching any applicable third-party certification_____

_____

3. Current permit number for a renewal application_____

4. For initial applications, please provide the following documentation:

a) For all proprietary products, this submittal shall include the description of all system components by product name or model number and all manuals associated with their installation and maintenance.

b) For advanced treatment products (to include Combined Treatment and Disposal Products), documentation that the product has been certified as meeting the appropriate National Sanitation Foundation (NSF), Committee for Standardization (CEN), or the Bureau de normalization du Quebec (BNQ) Standard is required. The designed hydraulic loading capacity (gallons per day), the designed organic loading capacity (pounds of BOD per day), and a written two-year product and maintenance warranty must also be included.

c) For disposal products, this submittal shall include, but is not limited to, information regarding storage capacity and disposal capability as related to the gravel field standard, structural/material integrity, and a written two-year product warranty.

If this application is for renewal, and no circumstances (owner, product, or manual) have changed from the previous permit, no accompanying documentation is required.

If this application is for a modification, please submit accompanying documentation regarding the substantive changes to ownership, product design, operation, or maintenance of the product. This should include any applicable manuals or design schematics and any other specific requests made by ADPH within the bounds of the laws and rules mentioned below.

Application is made pursuant to Alabama Law, *Section 22-26-2*, *Code of Alabama, 1975*, *Alabama Administrative Code, Chapter 420-3-1.*
