ENROLLED, An Act,

Relating to drug overdoses; to authorize a physician or dentist to prescribe an opioid antagonist to an individual at risk of experiencing an opiate-related overdose or to an individual who is in a position to assist another individual at risk of experiencing an opiate-related overdose; to provide immunity to a physician or dentist who prescribes an opioid antagonist and to an individual who administers an opioid antagonist; to provide immunity from prosecution for possession or consumption of alcohol for an individual under the age of 21 or certain controlled substance offenses by any individual who seeks medical assistance for another individual under certain circumstances; and to require relevant training for certain law enforcement officers.

16 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. (a) For the purposes of this section,

"opioid antagonist" means naloxone hydrocholoride or other

similarly acting drug that is approved by the federal Food and

Drug Administration for the treatment of an opioid overdose.

(b) A physician licensed under Article 3, Chapter 24, Title 34, Code of Alabama 1975, or dentist licensed under Chapter 9, Title 34, Code of Alabama 1975, acting in good faith may directly or by standing order prescribe, and a pharmacist licensed under Chapter 23, Title 34, Code of

1	Alabama 1975,	may	dispense,	an	opioid	antagonist	to	either	of
2	the following	:							

(1) An individual at risk of experiencing an opiate-related overdose.

- (2) A family member, friend, or other individual, including law enforcement, in a position to assist an individual at risk of experiencing an opiate-related overdose.
- (c) As an indicator of good faith, the physician or dentist, prior to prescribing an opioid antagonist under this section, may require receipt of a written communication that provides a factual basis for a reasonable conclusion as to either of the following:
- (1) The individual seeking the opioid antagonist is at risk of experiencing an opiate-related overdose.
- (2) The individual other than the individual at risk of experiencing an opiate-related overdose and who is seeking the opioid antagonist is in relation to the individual at risk of experiencing an opiate-related overdose as a family member, friend, or otherwise in the position to assist the individual.
- (d) An individual who receives an opioid antagonist that was prescribed pursuant to subsection (b) may administer an opioid antagonist to another individual if he or she has a good faith belief that the other individual is experiencing an opiate-related overdose and he or she exercises reasonable care in administering the opioid antagonist. Evidence of

L	exercising reasonable care in administering the opioid
2	antagonist shall include the receipt of basic instruction and
3	information on how to administer the opioid antagonist.

- (e) All of the following individuals are immune from any civil or criminal liability for actions authorized under this act:
- (1) A physician or dentist who prescribes an opioid antagonist pursuant to subsection (b) and who has no managerial authority over the individuals administering the opioid antagonist.
- (2) A individual who administers an opioid antagonist pursuant to subsection (d).
- (3) A pharmacist who dispenses an opioid antagonist pursuant to subsection (b).

Section 2. (a) Notwithstanding any other law to the contrary, an individual under 21 years of age may not be prosecuted for the possession or consumption of alcoholic beverages if law enforcement, including campus safety police, became aware of the possession or consumption of alcohol solely because the individual was seeking medical assistance for another individual under this act.

(b) Excluding Section 32-5A-191, Code of Alabama 1975, an individual may not be prosecuted for a misdemeanor controlled substance offense if law enforcement became aware

HB208

1	of the offense solely because the individual was seeking
2	medical assistance for another individual under this act.
3	(c) This section shall apply if, when seeking
4	medical assistance on behalf of another, the individual did
5	all of the following:
6	(1) Acted in good faith, upon a reasonable belief
7	that he or she was the first to call for assistance.
8	(2) Used his or her own name when contacting
9	authorities.
10	(3) Remained with the individual needing medical
11	assistance until help arrived.
12	Section 3. On or before January 1, 2016, the Alabama
13	Department of Public Health shall approve a specific training
14	curriculum for completion by law enforcement officers who
15	elect to carry and administer opioid antagonists.
16	Section 4. This act shall become effective
17	immediately following its passage and approval by the
18	Governor, or its otherwise becoming law.
