Preface

The purpose of this Directory is to provide general information regarding services and programs available to help a woman through pregnancy, including prenatal (before the baby is born) care, interconception (between pregnancies) care, postpartum (after the baby is born) care, and the early stages of childhood.

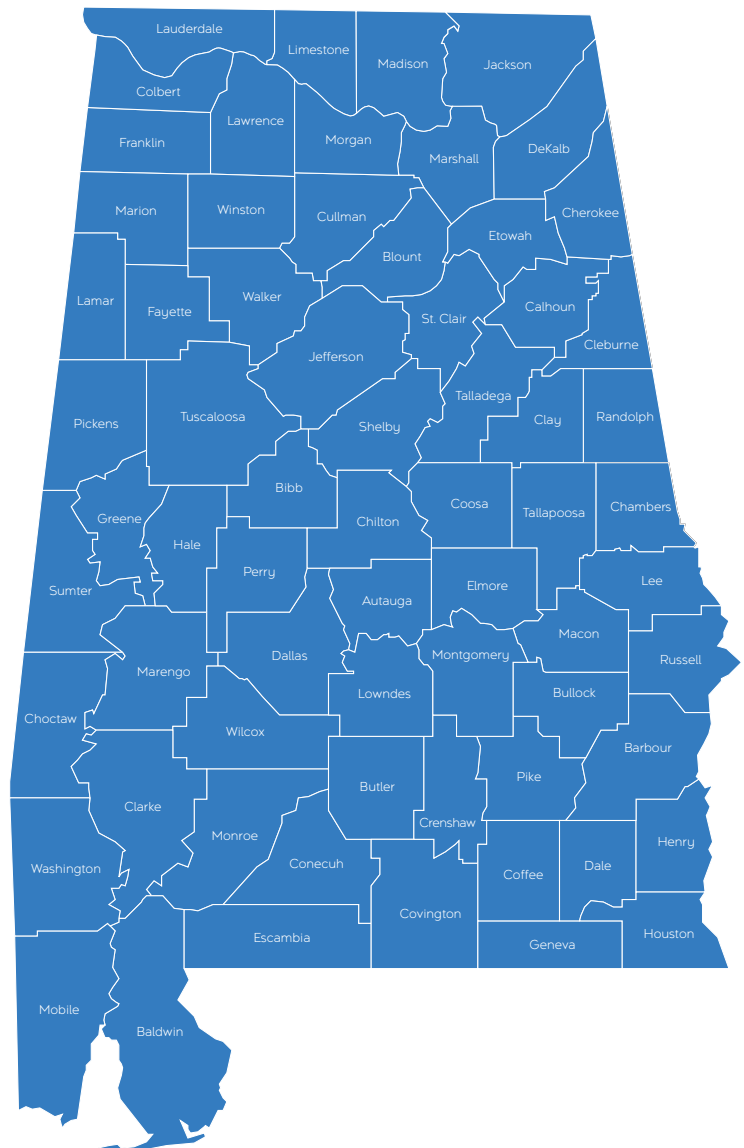

This directory does not include all the resources in the state that are available to assist a woman and families and is not intended to be a stand-alone guide. However, it does provide information on resources that may be available to provide such assistance. Every effort has been made to obtain the most up-to-date information for inclusion in this directory. Please note that inclusion of an organization or service does not imply the endorsement of the Alabama Department of Public Health, nor does exclusion imply disapproval. In addition, the information provided in this directory is always subject to change.

This Directory is provided by the Alabama Department of Public Health as required by Act No. 2002-419, as codified at Ala. Code § 26-23A-5 (1975 as amended). It does not provide information about eligibility for any of the programs or services listed, nor does it provide legal advice. Eligibility for the services may depend on a number of factors and will be determined by the agency/organization offering the program or service.

How to Use

The directory lists services by county.

1. Look at the map on the next page and find the county where you live. Now look at the table of contents and find where your county's listing of services begins.
2. Once you flip to your county, find the type of service you need.
3. If the service you require is not available in your county, check the neighboring counties to see if it is available there (see the state map).
4. **Call** the agency you are interested in before you visit and tell them what you need. If the agency cannot help you, it might be able to refer you to another agency or program.
5. Refer to the Government Agency section for more detailed information regarding the services and programs offered by the Alabama Department of Human Resources (DHR), the Alabama Department of Public Health (ADPH), and the Alabama Medicaid Agency (Medicaid).
6. For assistance with adoption services, see the listing of agencies for your county and the sections entitled, "State Licensed Private Adoption Agencies" and "Public Child Placing Agencies."
7. Hotline numbers and statewide services are available that provide additional information on listed services and programs.

Government Agencies

Department of Human Resources

The mission of the Alabama Department of Human Resources (DHR) is to provide for the protection, well-being and self-sufficiency of children and adults. Additional information about DHR and a directory of county offices is available at dhr.alabama.gov.

Adoptions – Placing of children through the local DHR offices or child placing agencies licensed by the State Department of Human Resources; responsible for the adoption of children out of state through the Interstate Compact for the Placement of Children (ICAMA). The Office of Adoptions provides ICAMA services for the delivery of Medicaid and other post-adoption services to Adoption Assistance Program eligible children when their families move across state lines.

Alabama's Family Assistance Program – DHR administers Alabama's Family Assistance Program funded by to the Federal Temporary Assistance for Needy Families (TANF) Block Grant. The program is designed to provide benefits and services to needy families so children may be cared for in their own homes or in the homes of relatives. These services also promote job preparation, work and marriage, and the prevention of out-of-wedlock pregnancy. Major benefits and services to eligible families include:

Temporary Cash Assistance - The program provides temporary cash assistance for basic needs for low income families with children under age 18 or age 19 if s/he is a full-time student and work and job training services through the JOBS Program to parents receiving cash assistance to help find and retain employment as described below. Additional information about the Family Assistance Program is available at dhr.alabama.gov/family-assistance.

Child Day Care/Child Care Subsidy Program – DHR's Office of Child Care Subsidy administers the subsidized childcare program funded through the Child Care and Development Fund (CCDF). The mission of the program is to provide Alabama's low and moderate-income families with equal access to affordable and quality childcare services as they participate in work, educational or training activities. Additional information about subsidized day care services is available at dhr.alabama.gov/child-care/subsidy-overview.

Child Support Enforcement Program is a joint Federal & State effort to help families establish paternity (when necessary), obtain orders for payment of child support, and secure compliance with child support court orders. One of the goals of the Child Support Enforcement Program is to help families achieve self-sufficiency because the non-payment of child support is a key factor contributing to the impoverishment of children. DHR is also available to assist a mother and alleged father with completion of an Acknowledgment of Paternity after the birth of a child. Additional information about the Child Support Enforcement Program is available at dhr.alabama.gov/child-support-enforcement-division.

Supplemental Nutrition Assistance Program (SNAP) helps low-income families stretch their food budgets. Families eligible for benefits use Electronic Benefit Transfer (EBT) cards to buy nutritious food in authorized stores. Eligibility is based on household income and resources. Additional information about SNAP is available at mydhr.alabama.gov.

Community Collaboration - DHR has an ongoing collaboration with the community to provide services and resources to help those in need. Community partners volunteer their time by performing a variety of tasks.

Family Foster Homes: Alabama has five licensed child placing agencies with contracts to service Mothers and Infants in foster family homes:

1. Embrace Alabama Kinds (UMCH) - 401 Carmichael Road Suite 235, Montgomery, AL 36106, 334-386-5354, embracealkids.org

2. Childhaven – 1816 Childhaven Road, Cullman, AL 35056, 256-734-6720, childhaven.com
3. Specialized Alternatives for Families and Youth of Alabama (SAFY) - 9532 Wynlakes Place, Montgomery, AL 36117, 334-270-3181, safy.org/alabama
4. Sevita (Alabama Mentor) - 500 Interstate Park, Suite 509, Montgomery, AL 36109, 334-280-3330, sevitahealth.com/state/alabama
5. Lifeline – Birmingham - Private placement only, 200 Missionary Ridge, Birmingham, AL 35242, 205-967-0811, lifelinechild.org

JOBS - an acronym for the TANF Work Program – The purpose of JOBS is to assure that needy families with children obtain the education, training, and employment that will help them avoid long-term welfare dependence. The JOBS Program is operational in all 67 Alabama counties. The program provides services and work supports to parents receiving cash assistance to help them find and retain employment. These services and supports seek to address barriers such as lack of adequate childcare, poor access to transportation, domestic violence, and substance abuse, all which greatly limit the ability to obtain and retain employment. Services also include employability assessments, job readiness and job skills training, disability assessments, and adult education. Following an initial interview which involves individual and family assessments, JOBS case managers provide services directly or by referral to other agencies. Additional information about the JOBS Program is available at dhr.alabama.gov/family-assistance/jobs-program.

Kinship Guardianship Program, also known as Kinship Care, is a supported permanency option available to children to exit DHR legal custody with fully approved relative foster parents. Additional information about Kinship Guardianship is available at dhr.alabama.gov/foster-care/kinship-guardianship and navigator.alabama.gov.

Maternity Centers: DHR has two residential licensed childcare facilities that serve minor pregnant girls, and teen moms and their babies:

1. Embrace Alabama Kids (United Methodist Children’s Home) 3166 Schillinger Road, Mobile, AL 36619, 251-833-3558, embracealkids.org
2. Childhaven – 1816 Childhaven Road, Cullman, AL 35056, 256-734-6720, childhaven.com

Child Protective Services - The Office of Child Protective Services provides the following functions for the Family Services Division of the Department of Human Resources:

- Maintains the Central Registry on Child Abuse and Neglect
- Applies for and monitors grants for protective services projects
- Provides case consultation services

DHR county offices investigate reported cases of child abuse and neglect to ensure the safety of children. Additional information can be found at dhr.alabama.gov/child-protective-services.

Putative Father Registry – Under Alabama law, a man who has reason to believe he is the father of a child has the right to register as a putative father with DHR. This registration can give him the legal rights and obligations of paternity. Additional information about putative fathers is available at dhr.alabama.gov/quick-links/putative-father-information.

Safe Haven – Alabama law provides an option for parents who do not wish to keep their newborn. A parent can take a newborn baby who is unharmed and is 72 hours old or younger to a hospital that is licensed and operates an emergency department. The emergency medical services provider who has taken possession of the newborn must notify DHR before the close of the first working day after taking possession. When the baby is ready for discharge from the hospital, DHR will place the baby in a foster home and a permanent plan will be implemented. Parents who voluntarily relinquish

a newborn (72 hours old or younger) to a safe haven have an affirmative defense to prosecution for nonsupport, abandonment or endangering the welfare of the child if unharmed.

For more information, call your local DHR office, the Alabama District Attorneys Association, local District Attorney's Office or contact a local hospital. Information about Safe Haven is available at dhr.alabama.gov/wp-content/uploads/2019/07/Safe-Haven-for-Newborn-Babies.pdf.

Department of Public Health

The purpose of the Alabama Department of Public Health is to provide caring, high quality and professional services for the improvement and protection of the public's health through disease prevention and the assurance of public health services to resident and transient populations of the state regardless of social circumstances or the ability to pay.

The Department of Public Health works closely with the community to preserve and protect the public's health and to provide caring, quality services to persons living in Alabama.

Alabama Newborn Screening Program – Alabama law requires all newborns to be tested for PKU (phenylketonuria), hypothyroidism, galactosemia, congenital adrenal hyperplasia, hearing loss, hemoglobinopathies (includes sickle cell disease, unless parents have religious objections), biotinidase deficiency, cystic fibrosis, aminoacidopathies, fatty acid oxidation disorders, organic acidurias and acidemias, CCHD, SCID, SMA, X-ALD, lysosomal storage disorders, and other heritable diseases. Blood tests are taken at the hospital before discharge. Follow-up testing is often necessary and available at the hospital, doctor's office or county health department. Additional information about the Newborn Screening Program is available at alabamapublichealth.gov/newbornscreening.

ALL Babies is a low-cost, comprehensive healthcare coverage program for pregnant women who reside in Autauga, Barbour, Bibb, Bullock, Butler, Chambers, Chilton, Choctaw, Clarke, Coffee, Conecuh, Coosa, Covington, Crenshaw, Dale, Dallas, Elmore, Escambia, Geneva, Greene, Hale, Henry, Houston, Lee, Lowndes, Macon, Marengo, Monroe, Montgomery, Perry, Pike, Russell, Sumter, Tallapoosa, Washington and Wilcox counties. This program was developed by the Children's Health Insurance Program to improve health outcomes for others and babies in Alabama. ALL Babies uses Blue Cross Blue Shield of Alabama (BCBSAL) to provide medical, dental, and mental health and substance abuse services through their preferred provider network (PPO). Additional information about ALL Babies is available at alabamapublichealth.gov/allbabies.

ALL Kids is a no-fee or limited fee, comprehensive health insurance program for children under age 19. Benefits include regular check-ups and immunizations, sick child doctor visits, prescriptions, dental services, vision services, hospital and physician services and limited mental health/substance abuse services. Additional information about the ALL Kids insurance program is available toll free at 1-800-373-KIDS (5437) and alabamapublichealth.gov/allkids.

Child Passenger Safety Program – Funded by the Alabama Department of Economic and Community Affairs, the Alabama Child Passenger Safety Program strives to reduce injuries to children in motor vehicle accidents by promoting the proper use of child passenger restraints. The program educates Alabamians on the safe use of child restraints, recruits and trains individuals to become certified child passenger safety technicians, and establishes and maintains car seat fitting stations across the state. Car seat checkup events are hosted throughout the state by appointment only. Car seat assistance may be available. For information on car seat checkup events, technician training, or community outreach, please visit: alabamapublichealth.gov/injuryprevention/child-restraints.html.

Dental Services – Educational outreach and oral health screenings are offered through the Alabama Department of Public Health Oral Health Office. For information regarding county health departments and dental clinics that provide clinical services throughout the state, please visit alabamapublichealth.gov/oralhealth and click on the "Locate a Dentist" tab.

The **Healthy Childcare Alabama** program provides health and safety information and training such as CPR, First Aid, playground safety, oral health, nutrition, immunizations, medication management, and infection control to parents, child care providers, and community members as requested. Please visit: alabamapublichealth.gov/hcca/contact.html.

Immunization - Vaccines for Children (VFC) Program, a federal entitlement program that provides vaccines to children who are on Medicaid, uninsured, underinsured, or Alaska Native or American Indian. The VFC Program supplies vaccine at no cost to public and private health care providers who enroll and agree to immunize eligible children in their practices or clinics. All vaccines required for day care, Head Start, and school attendance are administered at each county health department. Additional information about the Vaccines for Children Program is available at alabamapublichealth.gov/immunization/vaccines-for-children.html.

Plan first - A family planning program for women ages 19-55. The program offers free birth control services from Plan *first* providers, a yearly family planning exam, various birth control methods, tube ties for women 21 or older, lab work such as testing for pregnancy and sexually transmitted diseases (STDs) and help in planning when to have a baby. Additional information about Plan *first* is available at the toll-free hotline at 1-888-737-2083 and alabamapublichealth.gov/planfirst.

Well Child and EPSDT (Early and Periodic Screening, Diagnosis and Treatment) programs - provides health care for individuals from birth to age 21 in eight counties. Please visit: https://medicaid.alabama.gov/content/4.0_Programs/4.2_Medical_Services/4.2.3_EPSDT.aspx

Women, Infants, and Children's Program (WIC) - A supplemental nutrition program that provides assessment, education and nutritious foods free to limited income pregnant, breastfeeding and postpartum women, infants and children up to age 5 who are at nutritional risk. Persons must meet the program's income requirements and have a nutritional risk that proper nutrition could help to improve in order to qualify for WIC. Additional information about WIC is available at alabamapublichealth.gov/wic.

Alabama Medicaid Agency

Alabama Medicaid provides assistance with medical bills for low-income individuals who meet the eligibility requirements. To find out if you qualify, visit <https://www.Medicaid.Alabama.gov>, and click on the "Apply for Medicaid" tab. If you are already enrolled in Medicaid, you can find a doctor or provider by clicking on the "Provider Directory" tab. You can search by provider type and county/city. You may also call toll-free 1-800-362-1504 to get help.

The Social Security Administration, Department of Human Resources, and the Alabama Medicaid Agency certify individuals for Medicaid. Each agency certifies individuals based on their circumstances.

The Social Security Administration certifies individuals for the Supplemental Security Income (SSI) program. Aged, blind or disabled persons with very low income may qualify for cash assistance through this program. Individuals who qualify for SSI are automatically eligible for Medicaid.

The Department of Human Resources certifies families for "Medicaid for Low Income Families." Children who receive state or federal adoption assistance and foster children may be eligible for Medicaid. Individuals wishing to apply for these programs should contact their county Department of Human Resources (DHR). The DHR offices for each county are listed in this directory.

The Alabama Medicaid Agency certifies for several family programs. For more information contact the Medicaid District Office listed for your county.

State Licensed Private Adoption Agencies

Baldwin County

Adoption Home Study Services, P.O. Box 1463, Fairhope, AL 36533, 251-626-9011
