Initial License Application
To Operate an Ambulatory Surgical Treatment Facility

Regulations affecting the application for licensure of Ambulatory Surgical Centers can be found by clicking the Rules tab or link on the applications page.

The application should be submitted to this office at least 30 days prior to the change of ownership. In addition to the information requested within the application, the following must also be submitted:

1. A completed license application and $240 application fee. Application fees will not be refunded.

2. Articles of Incorporation, Articles of Organization, LLC Agreement, Articles of Incorporation, Partnership Agreement or Statement of Sole Proprietorship, under which the facility will operate. Corporations, Limited Partnerships and Limited Liability Companies must provide approved documentation from the Office of the Secretary of State to conduct business in the State of Alabama.

3. A copy of the Certificate of Existence (for domestic entities) or the certificate of registration (for foreign entities issued by the Alabama Secretary of State), as proof of its authority to transact business in the state of Alabama.

4. Certificate of Need from the State Health Planning and Development Agency (SHPDA).

5. A copy of the Certificate of Completion. The proposed physical site (existing or new construction) must comply with certain requirements and be approved by the Technical Services Unit of this agency. Additional information can be obtained in the facilities rules section of this website or from the Technical Services Unit at (334) 206-5177.

Upon successful review of the application, and building approval from Technical Services, a copy of the application will be forwarded to the Division of Health Care Facilities. A staff member from the Medicare Other unit will contact you regarding an on-site licensure visit to determine if the facility meets minimum requirements for a state license.

A license may be granted upon approval of the application, building approval from Technical Services, and a successful on-site survey.
*NOTE* Due to workload volume, application review takes a minimum of thirty days. An on-site survey (if required) could add considerable time to completion of the licensure process. Applications must be submitted well in advance of anticipated start of operations. Applications must be submitted with all required documents and certificates as noted in the instructions before the review can begin.

You are welcome to contact the department for ways to expedite the application process to shorten the review time. The earliest date a license can be granted is the first day the complete application and any surveys have been approved by the Department. [For certified health care facilities and agencies, application to the appropriate MAC is recommended 180 days in advance of the anticipated start of operations.]

**Printing of License Certificates**
License certificates are now available on-line. When a license is granted or renewed the license certificate can be printed on-line at [https://dph1.adph.state.al.us/FacilityCertificatePrint](https://dph1.adph.state.al.us/FacilityCertificatePrint). A facility ID and pin number will be provided and must be used to print license certificates.

**Please note:** it is a violation of state law to provide ambulatory surgery center services before you are granted a license from this agency. If you have questions regarding your application, please call (334) 206-5175.
