Initial License Application
To Operate a Nursing Facility

Regulations affecting the application for licensure of Nursing Facilities can be found by clicking the Rules tab or link on the applications page.

In addition to the information requested within the application, the following must also be submitted:

1. A completed license application and application fee of $240 plus $6 for each bed, excluding the first ten beds. Application fees are not refundable.

2. Organizational documents such as Articles of Incorporation, Articles of Organization, LLC Agreement, Partnership Agreement, or Statement of Sole Proprietorship under which the facility will operate. Corporations, Limited Partnerships and Limited Liability Companies must provide approved documentation from the Office of the Secretary of State to conduct business in the State of Alabama.

3. A copy of the Certificate of Existence (for domestic entities) or the certificate of registration (for foreign entities issued by the Alabama Secretary of State), as proof of its authority to transact business in the state of Alabama.

4. Certificate of Need from the State Health Planning and Development Agency (SHPDA).

5. A facility diagram illustrating planned licensed and planned certified beds with room numbers. The diagram on letter sized paper is preferable.

6. A copy of the Certificate of Completion issued by Technical Service Unit. The proposed physical site (existing or new construction) must comply with certain requirements and be approved by the Technical Services Unit of this agency. Additional information can be obtained in the facilities rules section of this website or from the Technical Services Unit at (334) 206-5177.

Upon successful review of the application and building approval from Technical Services, a copy of the application will be forwarded to the Division of Health Care Facilities, Long Term Care Unit. A staff member from the unit will contact you regarding an on-site licensure visit to determine if the facility meets minimum requirements for a state license.

A license may be granted upon approval of the application, building approval from Technical Services, and a successful on-site survey.
*NOTE* Due to workload volume, application review takes a minimum of thirty days. An on-site survey is required before the initial license is granted. This could add considerable time to completion of the licensure process. Applications must be submitted well in advance of anticipated start of operations. Applications must be submitted with all required documents and certificates as noted in the instructions before the review can begin.

**License Certificates**
The earliest date a license can be granted is the first day the complete application and any surveys have been approved by the Department. (For certified health care facilities and agencies, application to the appropriate MAC is recommended 180 days in advance of the anticipated start of operations).

**Printing of License Certificates**
License certificates are now available on-line. When a license is granted or renewed the license certificate can be printed on-line at [https://ph.state.al.us/FacilityCertificatePrint](https://ph.state.al.us/FacilityCertificatePrint). A facility ID and pin number will be provided and must be used to print license certificates.

Please note: It is a violation of state law to provide nursing facility services before you are granted a license from this agency. If you have questions about your application, please call (334) 206-5175.

**ADDITIONAL INSTRUCTIONS**

**NURSING FACILITY**

Item 1, **Applicant.** The applicant is the individual, partnership, corporation or other entity who will be the governing authority of the facility and to whom the license will be granted (not the facility name or the individual completing the application, unless the applicant is an individual). The name entered in this section must be exactly as printed on the legal document establishing the entity. A copy of the legal document must accompany this application. Entities established in a state other than Alabama must register to conduct business in Alabama with the Secretary of State’s Office. A copy of the registration must also accompany this application. If the facility is leased, the lessee should be indicated as the applicant. The lessee may be an individual, partnership, corporation, or other entity. **NOTE** - The applicant must be the operator of the facility, the entity that hires or fires the administrator, determines patient care issues, makes payment for facility obligations, etc.

Item 5, **Facility Administrator.** A copy of the administrator’s current license must be attached.

Item 6, **Bed Capacity.** Total number of beds the facility will operate. This number cannot exceed the Certificate of Need beds.

Item 7, **Facility Name.** The information provided on this line will be entered in the Provider Services Directory and the facility will be referred to by this name exactly as entered on this application. This name should be the same as on advertisements, facility letterhead, signs in front of the facility and certification information. This name must be unique; that is, it may not be the same as the name of any other licensed facility in Alabama, nor may it be so similar to the name of any other licensed facility that, in the judgment of ADPH staff, there could be any
confusion to the public. Governing authorities operating more than one facility may give the facilities they operate similar, but not identical names. The name may be abbreviated if the abbreviation is also used on advertisements, facility letterhead, signs in front of the facility and certification information.

Item 9, Facility Mailing Address. The facility mailing address, street address or post office box must be within the same postal service area as the facility’s physical location.

Item 18, Attestation of Responsible Person. A company officer, board member, administrator or other responsible person must sign the application and make the attestation.

Application Fee. The application fee for a nursing facility is $240 plus $6 per bed, excluding the first ten beds. Application fees are not refundable. Make a check or money order payable to the Alabama Department of Public Health.
