

Scott Harris, M.D., M.P.H.
STATE HEALTH OFFICER

MEMORANDUM

To: All Dental Facilities
From: Office of Radiation Control
Date: September 03, 2021
Subject: Manufacturer’s models cleared for use under the Alabama Department of Public Health’s Waiver to use portable hand-held dental x-ray machine.

As of the date stated above, the Alabama Department of Public Health has cleared the following manufacturer and models for use under the department’s waiver. Any manufacturer or model not on this list cannot be sold or used as a hand-held device in this state.

Manufacturer	Model	Model	Model	Model
Carestream, Nanoray	CS 2400P, NP-350E			
Dental Imaging Technologies Corporation	Nomad Pro	KaVo Nomad Pro II		
Dexcowin	DX-3000	IRAY-D3	DX-7017 Cocoon	Dx-7020 Cocoon
Remedi Co	T100			
Digital Doc	Xray2Go Mini			
Vatech America	VEX-P300			

If you are the manufacturer and wish to have a specific device added to this list, please contact this office at (334) 290-6244 for instructions. Each new device must be tested by our office prior to being eligible for inclusion on this list. Some of the manufacturer names have changed depending on when the unit was produced. Please call the Agency at (334) 290-6244 if you have questions.
