

GUIDANCE ON WHEN TO SEEK MEDICAL ATTENTION

Call your doctor or seek medical attention right away if you are having any of these side effects: skin rash, hives, or itching; swelling of the face, lips, or throat; or severe diarrhea. Less serious side effects include mild diarrhea, nausea, upset stomach, sore throat or mouth, and itching of the mouth or vagina lasting two or more days.

Persons who have questions about side effects of _____ (drug name) should contact the Alabama Department of Public Health at _____ (phone number).
