

**Elba City Schools
Tobacco Policy**

**WARNING: THE USE OF TOBACCO PRODUCTS IS HAZARDOUS TO
YOUR HEALTH**

Smoking and use or possession of any tobacco products will not be allowed on the campus of Elba High School during school hours or school related activities. This policy is based on the recommendation of the U.S. Surgeon General, the State Board of Education and the State Department of Education. Students are not permitted to carry tobacco products, cigarette lighters, nor matches with them during the school day. Students caught using tobacco in the building, on campus, or at any function sponsored by the school will be subject to appropriate disciplinary action.
