Smoking/Use of Tobacco

Students shall not be permitted to smoke or use tobacco in any form on the school grounds or in school buildings during the school day, or when riding school buses to and from school or on a school-sponsored trip. Parental permission to smoke or otherwise use tobacco does not exempt a student from this policy. Professional school personnel shall organize and maintain intensive programs of education designed to make pupils fully aware of the hazards of smoking and use of tobacco.

Students caught using tobacco in any form on the school grounds are subject to suspension or other appropriate disciplinary action.

Smoking/Use of Tobacco

The Hale County Board of Education recognizes that the use of tobacco is a detriment to good health. In light of this recognition, all Hale County Board of Education facilities, buildings, grounds, vehicles, and other property are declared tobacco-free. Smoking and the use of smokeless tobacco are prohibited on all Board property and premises at all times.

Any problems should be brought to the attention of the principal or superintendent and handled through the normal chain of command. Employees who violate this policy will be subject to the same disciplinary actions that accompany infractions of other Board of Education Policies.
