The Macon County Board of Education is committed to providing and maintaining a safe and healthy environment for its students and employees. Smoking and the effects of smoking, threatens our right to work and learn in a safe and healthy workplace. No demographic group or occupation is immune to the diseases and other health problems that may result from smoking. Smoking may not only be dangerous to our health, but it can result in other extremely complex problems. From a safety perspective, smoking can also be a fire hazard.

Therefore, it is the policy of the Macon County Board of Education that **SMOKING AND THE USE OF TOBACCO IN ANY FORM, IN OR ON ANY FACILITY OR PROPERTY OWNED AND OPERATED BY THE BOARD (INCLUDING SCHOOL BUSES AND OTHER VEHICLES) IS PROHIBITED AND WILL NOT BE ALLOWED.** Violation of this policy by any employee will be cause for disciplinary action.

The Macon County Board of Education will provide “No-Smoking” Signs that will be posted in each building.
