

## **NW-SCC Clean Air Policy**

Northwest-Shoals Community College (NW-SCC) is committed to providing a safe and healthy environment for its employees, students and visitors. The College recognizes the right of persons to make their own decisions about their personal use of tobacco products away from the College. However, in light of findings of the U.S. Surgeon General that exposure to secondhand tobacco smoke and use of tobacco products are significant health hazards, it is the intent of the College to establish a smoke-free environment on its campuses and in its college-owned vehicles. Consequently, the use of tobacco smoking products, including the carrying of any lighted smoking instrument, in College buildings or upon other College premises or inside College-owned, rented or leased vehicles, is prohibited.

For the purposes of this policy, a "tobacco product" is defined to include any lighted cigarette (including electronic cigarettes), cigar, pipe, bidi, clove cigarette, and any other smoking product.

All College employees, students, visitors and contractors are required to comply with this policy, which shall remain in force at all times. Any College employee or student found to be in violation of the clean air policy will be subject to a monetary fine. Tickets will be issued by campus police officer for violations. Monetary fines will be imposed as listed below, depending on whether the offender is an employee or student.

Any visitor or contractor found to be violating this policy shall be asked to discontinue the disallowed activity, and any failure by a visitor or contractor to discontinue the disallowed activity after being requested to do so shall result in the visitor or contractor being escorted off the college premises by campus police.

NW-SCC will continue to uphold the current policy that the use of ALL tobacco products is prohibited in all buildings on each campus. Failure to adhere may result in the below listed fines.
