

Ozark City Schools
SMOKING/USE OF TOBACCO PRODUCTS

The school system prohibits the use of tobacco in any form in any School System building, on any School System property, in any School System vehicle, or at any school or School System function. The prohibition of the use of tobacco in any form applies to students, employees, or patrons in attendance on School System property. Anyone using tobacco products will be disciplined according to the Ozark City School System Policies and Code of Conduct.
