DRUG-FREE AND SMOKE-FREE SCHOOL

Remington College-Mobile Campus is designated a drug-free and smoke-free school. As such, the following activities are prohibited while the student is on the College's premises or otherwise engaged in student activities:

1. The manufacture, possession, use, sale, distribution, dispensation, receipt, or transportation of any controlled substances or illegal drugs. This includes all forms of narcotics, hallucinogens, depressants, stimulants, and other drugs whose use, possession, or transfer is restricted or prohibited by law.
2. The consumption of alcoholic beverages.
3. Being under the influence of alcohol, illegal drugs, or controlled substances in any matter during school hours whether or not consumed on College premises and whether or not consumed outside of school hours.

A student who engages in such behavior will be subject to disciplinary action up to and including termination from the College.

As a condition of receiving the Federal Pell Grant and other federal financial aid, students are required to maintain a drug free environment. Failure to do so will jeopardize the student's eligibility for funding.

Exceptions: Drugs prescribed by a physician, dentist, or other person licensed by the state or federal government to prescribe or dispense controlled substances or drugs, used in accordance with their instructions, are not subject to the restrictions of this policy.

Smoking is prohibited inside all college buildings.
