

Town of Chelsea, Alabama  
Ordinance No. 00-11-07-133

ORDINANCE BANNING TOBACCO VENDING MACHINES IN THE TOWN OF  
CHELSEA, ALABAMA.

BE IT ORDAINED by the Town Council of the Town of Chelsea as follows:

Section 1. PURPOSE.

WHEREAS, the United States Surgeon General has long warned smokers that smoking tobacco, or any other weed or plant is hazardous to their health; and

WHEREAS, The National Center for Disease Control has concluded that more than 400,000 United States citizens die each year from tobacco-caused or related diseases and tobacco related illness cost businesses and individuals in the United States billions of dollars per year; and

WHEREAS, local news reports say that over 50 million Americans smoke and at least twenty-five percent (25%) of Alabama's population smokes; and

WHEREAS, the National Institute on Drug Abuse has found that nicotine in tobacco products is a powerful addictive drug and identifies nicotine addiction as the most widespread example of drug dependence in the United States; and

WHEREAS, ninety percent (90%) of adults who now smoke started smoking between the ages of nine and eighteen years; and

WHEREAS, three million children smoke daily in the United States, and over seventy-five percent (75%) buy their own cigarettes. Children currently have ready access to cigarettes and other tobacco products as a result of the availability of cigarette vending machines. Scientific studies have shown that minors are successful in buying tobacco products from cigarette vending machines in areas such as bars or cocktail lounges, where minors are not legally permitted to be present, are also readily utilized by minors to obtain tobacco products;

WHEREAS, The United States Surgeon General has consistently favored elimination of cigarette vending machines for public health reasons; and

WHEREAS, the American Cancer Society, American Lung Association, American Heart Association, American Medical Association, and Alabama Medical Association, representing the overwhelming view of this recognized professional medical associations, support the elimination of cigarette vending machines for public health reasons; and

WHEREAS, no other dangerous product or drug, cancer-causing product or drug, or addictive product or drug is sold through vending machines. No other product or drug which minors are prohibited from purchasing is sold through vending machines.

NOW, THEREFORE, the compelling purpose and intent of this ordinance is to better protect public health, safety and welfare; to significantly reduce the ability of minors to illegally obtain tobacco products by banning tobacco and tobacco accessory vending machines, and to generally promote the health and welfare of all people in the community against health hazards and harmful effects of using addictive tobacco products.
