

STUDENTS' USE OF TOBACCO

Students in the School System shall not be permitted to smoke, use tobacco, or have tobacco in any form in their possession on the school grounds or in school buildings during the school day, or when riding buses. Furthermore, students shall not be permitted to smoke or use tobacco in any form at school functions or activities while under the direct supervision of school personnel. Parental permission to possess, smoke, or otherwise use tobacco does not exempt a student from this policy. Professional school personnel shall organize and maintain programs of education designed to make students fully aware of the hazards of smoking and use of tobacco.

Disciplinary Actions:

Any student found in violation of this policy is subject to disciplinary action based on the School System's Student Code of Conduct.
