

BE IT ORDAINED, by the City Council of the ~~City of Opp~~
State of Alabama.

(a) The smoke from tobacco, in the form of cigarettes, pipes or cigars, has been conclusively found to be injurious to human health, not only to the person smoking, but also to the nonsmoker who is required to breathe such contaminated air. The most pervasive intrusion of the nonsmoker's right to unpolluted air space is the uncontrolled smoking in confined public places. The City Council of the City of Opp intends by the adoption of this Ordinance, to protect the health and atmospheric environment of the non-smoker by regulating smoking in all municipal owned buildings, vehicles and machinery.

(b) Smoking tobacco in any form is hereby declared a public nuisance, and therefore prohibited if done in any municipally owned buildings, vehicles or machinery.

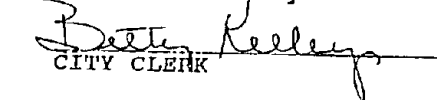

(c) If any portion of this ordinance shall be held unconstitutional, invalid or unenforceable, such holding shall not effect the remaining portions or render the remaining portions invalid, and to that end the provisions hereof are declared to be severable.

(d) This ordinance shall go into effect upon the passage and approval of the same.

ADOPTED AND APPROVED ON THIS 6th DAY OF April,
1992.
