Stillman College is a tobacco-free campus. The use of tobacco products in college-owned buildings, on college property or within college-owned vehicles is prohibited. Effective implementation of this Tobacco Free Policy depends upon the courtesy, respect, and cooperation of all members of the Stillman community. Compliance with the tobacco-free campus is appreciated and expected. Students found in use of tobacco products on campus will be referred to the Vice President for Student Affairs and deliberated through the college's judiciary process as outlined in the **College Student Handbook**.
